Wednesday 27th July 2011 at 7pm

Long Melford's premier Tandoori restaurant have very generously agreed to host a fundraising evening in which not only will there be delicious food served but also there will be a raffle and auction of some wonderful prizes.

This is our main fund raising event for the new nets which we hope will be built shortly and promises to be a fantastic evening. Melford Valley is heavily subsidising the evening to maximise funding for the nets so please make every effort to attend and bring along partners, friends and family. Make up groups as you wish.

Numbers are limited to 100 so please apply early.

The cost will be **£20 per person** for a starter and main course - Melford Valley will be serving "buffet style" and will provide a choice of up to 12 curries per table on an "as much as you can eat" basis!

Payment and bookings to be taken as soon as possible so that we can plan the evening; be quick this will fill quickly.

Put your name on the Form on the noticeboard in the clubhouse detailing numbers and leave the requisite cheque/cash in the till with a note.

As a further concession, Melford Valley has agreed to donate 20% of the cost of meals or takeaways bought by members between now and 27th August 2011; so if you visit please make known you are a member and ensure the Club receives the benefit of this very generous offer.
